

## Managing Breeder Application

In the case of partnerships, LLCs and/or other entities with multiple names listed as Breeder of Record with The Jockey Club, the Maryland Horse Breeders Association (MHBA) requires one individual per foal/horse to be designated as the Managing Breeder.

A Managing Breeder form must be submitted from each person listed as Breeder of Record, including all those in partnerships, authorizing the registered horse's designated Managing Breeder. The forms must be signed, dated, have a public notary stamp and be on file with the MHBA before any bonus/award checks are sent to the designated Managing Breeder. The designated Managing Breeder will be responsible for dispersing any bonuses/awards earned by the horse listed on this form.
