

Maryland Horse Breeders Association

The Maryland Horse Breeders Association (MHBA) has been the leading horse industry advocate in the state since its founding in 1929. It functions as an informational resource for horse breeders and owners, for the media, for national, community and governmental organizations and for the general public.

As a service organization, the MHBA provides industry information, educational opportunities and legislative representation to its membership, who include breeders, owners, trainers and

horse enthusiasts of all kinds. The MHBA publishes a weekly e-mail bulletin and a monthly newsletter, *Maryland Horse*, as well as *Mid-Atlantic Thoroughbred* magazine.

In addition, the MHBA maintains several websites: MarylandThoroughbred.com, a resource for news and information on Maryland breeding and racing; MidAtlanticTB.com, which carries regional news, information on the magazine, and access to the digital edition of *Mid-Atlantic Thoroughbred*; marylandmillion.com for news and events about

Maryland's Day at the Races; and mdthoroughbredhalloffame.com which showcases full biographies of the Maryland-bred Hall of Fame horses.

The MHBA helped innovate, and now administers, several state-oriented incentive programs. Both the Maryland-Bred Race Fund, created by statute in 1962 for Thoroughbreds foaled in Maryland, and the Maryland Million, chartered in 1985 for Thoroughbreds conceived in Maryland, were the first programs of their kind anywhere in the U.S. ✪

The Maryland Fund: Maryland-bred awards

The Maryland Fund was created by the General Assembly in 1962. Maryland was the first state to develop a legislated incentive program to encourage the improvement of Thoroughbred breeding and racing.

In Maryland, there are six categories through which monies for Maryland-breds are made available: 1) purse money for races for registered Maryland-breds; 2) awards for owners of registered Maryland-breds finishing first, second or third; 3) awards for breeders of registered Maryland-breds finishing first, second or third; 4) awards for stallions who sire registered Maryland-breds finishing first, second or third; and 5) bonus awards for the highest-earning 2 and 3-year-olds shown at the

annual MHBA yearling show and 6) an allocation for purses for Maryland-sired horses.

Currently, the Maryland Fund receives slightly less than 1 percent of the total mutuel handle and breakage from Laurel and Pimlico (the state's two major tracks), and receives approximately 1.5 percent of the mutuel handle and 5.0 percent of the breakage at Timonium (the state's only minor track).

Owner awards are paid by the purse account to the owners of all registered Maryland-breds when they finish first, second or third in any race other than stakes, paid at 30 percent of the horse's share of the purse.

Breeder and stallion awards are paid for the registered Maryland-bred who finishes first,

second or third in any race in Maryland. Breeder awards are 30 percent of a horse's share of the purse; stallion awards are 10 percent. In stakes races the award is based on the first \$100,000 of the gross purse.

In order to earn a breeder award, the horse must be registered as a Maryland-bred. In order to earn a stallion award, the horse must be registered as a Maryland-bred, and the sire must be registered with the MHBA, in addition to having been standing in Maryland at the time the horse was conceived.

The Maryland Fund program is administered by the Maryland Racing Commission with the assistance and advice of the Maryland Fund Advisory Committee chaired by David Hayden,

a member of the Maryland Racing Commission. Under the direction of the commission, the actual implementation of the fund, including maintaining the Maryland-bred registry and computing and distributing all bonus awards, is performed by the MHBA.

Breeder and stallion award percentages are evaluated on a bi-annual basis on the advice of the Maryland Fund Advisory Committee. Owner award percentages are determined by a separate agreement. (For Maryland Million day, breeder and stallion award percentages are determined annually.) Awards are paid as soon as practical.

The stakes program is planned on a meet by meet basis and is based on projected track handles for the coming year. ✪

*Final totals shown are subject to change following annual audit. Awards net to recipients after MHBA service charges were deducted. Not listed in chart is the allocation to the MHBA's yearling show—\$20,000 through 1990; \$25,000 from 1991 through 1999; \$40,000 from 2000 through 2016. The owner award program was created in 1982 and began with the Pimlico program of March 13. It replaced a program of restricted Maryland-bred races which was begun in 1962. Commencing with Pimlico's 1986 summer meet, a percentage of Fund monies have been allocated to purses for Maryland Million Day. Breeder and stallion bonuses are paid as soon as practical, with the exact percentages for bonus calculations being evaluated bi-annually by the Maryland Racing Commission (Maryland Million Day is calculated separately). **Starting in February 2015, owner bonuses were paid by the purse account.

2016 Maryland sires

Statistics compiled by The Jockey Club Information Systems for stallions who currently stand or concluded their careers in the state and are represented by earnings of \$1,000 or more in 2016. Statistics are for racing through December 31, 2016, and include foreign results for all Northern and Southern Hemisphere countries as reported to TJCIS. †Indicates stallion represented by first crop to race. Explanation for abbreviations: Foals—total registered foals; Strs.—starters; Sts.—starts; Wnrs.—winners; %—percentage of winners from starters; BTW—black-type winners as defined by the International Cataloguing Standards Committee.
